

This July, Guide Dogs Victoria's Top Dog Day will help raise funds to assist us in supporting Victorians who are blind and vision impaired.

Our love of animals is not a surprise, and it's this love of our own 'Top Dogs' (our Guide Dogs) that has sparked Top Dog Day. Not only is this a fun way for you to show your admiration of your own Top Dog, this annual celebration will help raise money to support blind and vision impaired Victorians.
